THE PROBLEM

INTEROPERABILITY CHALLENGES THAT UPGRADES AND FIX PACKS WON'T RESOLVE

THE SOLUTION

THIRD-PARTY SOFTWARE SUPPORT AND MAINTENANCE RESTORES UPTIME AND IMPROVES STABILITY

THE RESULT

Citizens' partnership with Origina gives it the flexibility, stability, and expertise it needs to:

1. Integrate new platforms and ensure interoperability

2. Deliver an outstanding customer experience

3. Ensure uptime and enhance IBM® product performance

4. Free up funds and redirect resources to propel digital initiatives

5. Save substantially on costly, low-value upgrades
