Sainsbury's

SAVES TENS OF MILLIONS WITH THIRD-PARTY IBM® SUPPORT

ⓘ Sainsbury's is the U.K.'s second-largest supermarket chain. The retailer sells over **60,000** products.

IBM SOFTWARE

- **40,000** USERS DEVICES
- MULTIPLE SERVERS
- MILLIONS OF END POINTS

THE PROBLEM

BLACK FRIDAY CRASHES with slow resolution and no long-term fix

THE NEED

A highly responsive support solution that improves existing IBM® version performance without increasing costs

> " Origina extended the value of Sainsbury's IBM® investments and paved the way for future growth — with no additional software purchases. "

THE RESULT
